“Father, I thank You for Jesus and for my salvation through Him. He is the Savior and I am a sinner. I am so grateful to be washed in His Blood. And because You have forgiven me, I choose to forgive others; everyone who has hurt me, lied to me or disappointed me. I forgive. I repent of unforgiveness, i know it is sin. I forgive myself and apply Your great forgiveness to my life.

I repent of anger, bitterness, and hatred; of rebellion, resentment and revenge, of envy, jealousy, strife, doubt, unbelief and skepticism, o flush, witchcraft and idolatry and all the works of the flesh. I denounce the sins of my ancestors, I totally separate myself from generational curse. I renounce all unholy vows, pledges, oaths, or ceremonies and I choose to be free from all permission of societies curse. I denounce all unholy soul ties and confess them as sin.

For Jesus Christ is my Savior and Lord, He’s my deliverer and my healer, and He broke the power of curse. I choose to be free and i will be free in Jesus Name.”
